

Leave a legacy for public interest journalism, because health matters

Thank you for your interest in leaving a gift in your Will, also known as a bequest, to Croakey Health Media Ltd. Leaving a bequest to Croakey helps to safeguard the roles of health-focused public interest journalism into the future.

Your bequest to Croakey may be unrestricted or designated. An unrestricted bequest allows Croakey to choose how your bequest will be used. A designated bequest allows you to choose how your bequest will be used. For example, you may wish to support a particular category of journalism such as: equity, Indigenous health, social determinants of health, social justice, climate, or some other category.
