CLIMATE AND EXTINCTION DO NOT WAIT FOR POLITICS.

No more coal or gas is the only way to prevent climate, ecological and social collapse.

We will rebel until the government acts in accordance with the science. We will rebel until there is climate justice.

Join us.

🐼 UPDATE: Blinky has lead a procession from the lawns of Parliament House over the Commonwealth Ave Bridge into the city centre.

This is a climate code red for koalas and humanity.

🌟 BLINKY COMES TO CANBERRA 🌟

Greeting politicians with cries to declare a climate and ecological emergency and take urgent action to avert climate collapse.

The four-metre tall burning koala represents the billions of animals killed in the 2019/20 climate fuelled bushfires.
