Sophie Trevitt @SophieTrevitt • Jul 28
Sophie Jessica Trevitt, in the calm morning moments of 27 July, after nine months of battling a horrific brain cancer with the wisdom of a sage, breathed her last breath and passed peacefully into being nowhere but our memories of her.

Sophie Trevitt @SophieTrevitt • Jul 28
Tenacious and concerned for others even in her hardest times, she would want little fuss - except if it could somehow inspire you to make to a difference to the world and the people within it.

Sophie Trevitt @SophieTrevitt • Jul 28
Be kind, be brave. Fight for justice. Fight to make people safe. Today and all tomorrows, ask yourself: what would Sophie do?

Sophie Trevitt @SophieTrevitt • Jul 28
Memorial to be held in Canberra, details soon.
