
 **#GreenHealthForum23** @WePublicHealth · Sep 14 ...
Now joining us for a Q&A: Maddie Skellern from the @healthgovau National #ClimateHealth Sustainability Unit, who is the head of the #HealthyClimateStrategyOz.

Maddie is working ~70 submissions from the health sector

"We aim to deliver the final strategy this calendar year."

 **#GreenHealthForum23** @WePublicHealth · Sep 14 ...
Some details re #HealthyClimateStrategyOz:
- Working towards a National #ActiveTravel Strategy
- Reducing unnecessary tests and scans with @ACSQHC (yay! @wiserhealthcare)
- Reducing carbon intensity of the health services (e.g. via anaesthesia, inhalers, food, building...)

 **#GreenHealthForum23** @WePublicHealth · Sep 14 ...
More details re #HealthyClimateStrategyOz:
- Working on sustainable procurement and circular economy.

"The bulk of procurement is undertaken by states and territories, and in the private sector ... we're keen to work on this collaboratively."

Thanks for the details, Maddie! 🙌
