#CroakeyGO plans

#CroakeyGO is an opportunity to walk and talk, and to contribute to related coverage across social media and at Croakey.org

Below are suggested walks, but participants may choose to do only a part of the walks suggested, or simply join us at the beginning or lunch spots, for example.

We will share more details closer to the time. Please let us know if you would like to join a mailing list for news about this event.

On Saturday, 30 November:

9am Meet at the Kandos rotunda and walk to Rylstone showground.

12:30pm Shared lunch and talks at Rylstone showground

The 7km pebblecrete path between Kandos and Rylstone is hilly at times. It is separate from the road, with toilets at either end, but not much shade with vehicles whizzing nearby. We will stop a few times for a yarn and meet in Rylstone for a rest before returning.

On Sunday, 1 December

10am meet at the Ganguddy boat ramp picnic area in the Wollemi National Park (25-minute drive from Kandos)

Ganguddy is suitable for all vehicles. There we can do a variety of easy and challenging walks. BYO water but there are toilets, shade, and features for all ages.

There are campsites (book via NSW NPWS) and Southern Cross Kayaking.
